Zebra's best-in-class Z Series® printers just got better! The ZM600™ includes additional productivity-enhancing features and modern, flexible network connectivity for easy system integration in most manufacturing, warehousing and business applications. This industrial and commercial workhorse also delivers efficient six-inch-wide labelling thanks to its quick throughput and 10-inches-per-second print speed. RFID Ready and offering a multitude of field-installable options, the ZM600 is upgradeable to grow with changing needs. Plus, design enhancements make this Z Series printer even easier to operate, load and maintain.
